Dear Gustavo

With reference to your letter of December 4, 2007 and the Faculty's answer by mail 6 February, 2008 and with regards to Order No. 750 of 14 August 1996 about doctoral degrees issued by the Ministry of Education, 9.2., I can inform you that the assessment committee has finally been established and the members of the committee are:

Dr.med. Johan Kofstad, Rikshospitalet, Oslo
Professor Bengt Saltin, Institute for Molecular Biology, AKI and
Professor Peter Norsk, Dept. of Biomedical Sciences (chairman)

According to the passage quoted above you are allowed to withdraw the dissertation from assessment. In case you should wish to do so the Faculty should be notified **not later than 6 March 2008**.

If the Faculty has not had communications from you before the above deadline concerning withdrawal of the thesis, the assessment committee will be instructed to commence evaluation of your work and you will not be able to stop the assessment procedure unless the Dean, as a rare exception, will give you permission to do so.

Yours sincerely
On behalf of the Dean

Lene Houmann
Managing Clerk
